## For Parents/Students

Skillioma's General Awareness and ELP Framework will help in undergraduate entrance tests like DU JAT, IPMAT, NPAT, SET for BBA, BMS admissions that test on business, general awareness, language skills, verbal ability, language comprehension, reading comprehension, writing skills.

IIM's, Top MBA colleges, UPSC, IIFT, XAT, CMAT, SNAP, NMAT test for verbal ability, language skills, writing skills, group discussions, debates, business skills and general awareness. The language tests have atleast 70% of weightage. Our integrated framework will help in cracking these entrance tests.

Our platform helps in the preparation of ACT/SAT exams in the Reading/Writing assessment category. And our vocabulary will help for post graduate program admissions like TOEFL assessment.

Skillioma is a great academic boost for students that have opted for Humanities and Commerce streams (English Language Literacy, Business Studies, Economics, Enterprise, Global Perspectives, Leadership etc.)

All the students that spend even 30 minutes a day will gain a great boost in memory power, focus, concentration and learn the essential life skills for a successful career.

## For Schools

Assign writing projects, group projects, research based projects. Conduct presentations, debates and group discussions.

Considerably reduces teacher's time and student's research time.

Helps in teacher's class time, assembly time for sharing important news.

For students that have opted for Humanities and Commerce streams(English Language Literacy, Business Studies, Economics, Enterprise, Global Perspectives, Leadership etc) this will be a great academic boost for them.

For students that are in science streams that could not take advantage of some of these courses, this will serve as a great resource to create a successful career.

Track your student's progress and help them in weak areas very easily.
